RideKC's Official  
Plan, Track and Pay App

## Plan a Trip

Download *Transit* for quick and easy trip planning with step-by-step directions.

The app will notify you when to leave for your trip, when your stop is coming up, and even suggest alternatives if you miss your ride.

## Track your Ride

*Transit* keeps you informed with accurate arrival times and map-based vehicle locations.

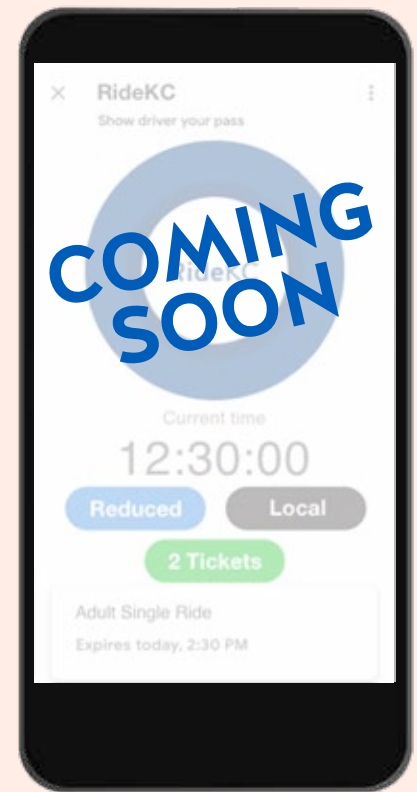

So you can relax while you wait for your ride knowing your vehicle is on its way.

## Pay the Fare

Forget paper passes and pocket change! Purchase any fare or pass with just a few taps in *Transit*.

The app makes it easy to keep track of your pass expiration date, and lets you buy rides for yourself or the whole family.
